As part of construction, Is property owner relocating Grinder Pump Chamber?

If Yes – Property Owner Will Need to Purchase the Following Items:

Grinder Pump Chamber (Item #1 Above)

Control Panel (Item #7 Above)

The Grinder Panel includes 50' of cable, additional cable may be required (Item #8 & #9 Above)

If No – Property Owner Will Need to Purchase the Following

Items: Control Panel (Item #7 Above)

The Grinder Panel includes 50' of cable, additional cable may be required (Item #8 & #9 Above)

Note: The property owner must protect the existing pump chamber during construction activities. If the existing chamber is damaged, a new one will need to be purchased – Item #1 above

In regards to item #1 and item #2 the base price includes up to 30' of 1.5" force main pipe between the chamber and sewer main. The property owner/owner rep will be charged \$25 per foot beyond 30', for the additional lead between the sewer main and pump chamber.

All other items shown above are charged if the municipality has to replace the item due to damage, and are assessed on a case by case basis.
